Shantel thanked all the people who showed up to help with the office move from the Graham Building to the Team Spirit basement. Thanks to Ryan Oliver for his donation of a new office desk for the office.

Sports Reports

Canby School District has closed the fields we use for fall sports. City Parks are allowing fields to be used. The Baptist Church field has been used in the past and might be another option (contact church). Soccer and Football have closed their season and refunded money. There is some sport activities going outside of organized sports and Maple St Park is open for play with sports who are needing practice space.

Football, Nick reporting

- Canby Cougar Football will not have a fall season. Some parents have put together football teams to play in the E-Force league. It is set up as 7-on-7 teams with the players wearing masks during play and no parents allowed to be on the sidelines.

Softball, Jason reporting

- Softball has changed its name from Canby Wildcats to Canby Rebels. Their objective is to provide recreational and competitive teams and that has necessitated reaching out to neighboring communities to put teams together.
- Fall ball tryouts had a huge turnout and formed 8 teams. They had 65 players attend the high school tryouts for the 2 16U teams that will play in national tournaments. The younger teams also had a huge turnout. Newberg has a league for recreational teams to play in.

Baseball, Tim no report

Old Business

- 2020 Budget: Admin has not collected any funds from the sports for this year. There has been an ongoing discussion about changing the per player fee to a percentage of income fee. Also, with sports inactive, there is little revenue coming in and are relying on reserves to pay ongoing expenses. At the October meeting we will review Canby Kids Admin fee and decide how to handle our finances. We have insurance and tax accounting expenses that will be coming up.

New Business

- Next meeting scheduled for October 15th at the Antonia Room.

The meeting adjourned at 6:55.

Respectfully submitted,
Vicki Pounds, Secretary
